DONATION RATE CARD

Give hope. *Fund healing.*

Choose the part of a patient's cancer journey you would like to support. Each line shows what one gift covers and the total we aim to raise for that programme. All amounts in USD.

Getting to Care

Removing the distance between patients and treatment

WHAT IT FUNDS	ONE GIFT	PROGRAMME GOAL
Transport to Treatment Gets a patient to and from hospital for treatment and check-ups.	$80 per round trip	$1,000
Accommodation Near Treatment A safe place to stay for one week for patients travelling from far during treatment.	$150 per week	$6,000

Diagnosis and Treatment

Helping patients get answers early and stay on treatment

WHAT IT FUNDS	ONE GIFT	PROGRAMME GOAL
Diagnostic Tests Covers lab work, scans or a biopsy so treatment can start on time.	$300 per patient	$15,000
One Chemotherapy Session Helps a patient complete a session without the cost holding them back.	$400 per session	$40,000
Pain Relief Medication A month of medication that keeps a patient comfortable and able to carry on with daily life.	$120 per month	$6,000
